

Proposed Regulation Change

4.0.1

Quinte West Minor Hockey will be known as the Quinte West Golden Hawks.

The colours representing our association will be black and gold.

Proposed Logo

Rationale:

QWMH is proposing we revert back to the name **Golden Hawks** to align ourselves with our local Jr A Hockey Club and more importantly to show appreciation and support for our military community. The famous Golden Hawk plane was removed a few years ago for some repairs but it is a known landmark to arena travellers across the province and is reported to be returned back to its place for next season.

QWMH will adopt the logo of the Jr A Trenton Golden Hawks with the only change being Quinte West instead of Trenton.

There is no regulation with reference to an association name and colours so this will be a new regulation.
