Points to Remember!!

Below you will find the link of information to review regarding vaccination of youth from public health.

<https://hpepublichealth.ca/wp-content/uploads/2021/05/COVID-19-Vaccine-Information-Sheet-For-Youth-V1.0-2021-05-19-FINAL.pdf>

A reminder that you are not considered fully vaccinated until 14 days after your second dose.

Important Dates to Remember

- **Oct 31, 2021** is the deadline to be fully vaccinated.
- **Oct 17, 2021** you must have had your second dose by this date to meet the Oct 31, 2021 deadline.
- **Sept 26, 2021** you must of had your first dose by this date to meet the Oct 31, 2021 deadline.

Please take note that you can not receive any other vaccine 14 days prior to or 28 days after the COVID 19 vaccine.

You also can not receive the vaccine if you have any cold or flu symptoms.

Please remember that some who have received the vaccine have had mild side effects which may include: pain, swelling, tiredness, headache, muscle pain, joint pain, chills, or mild fever. All symptoms you may want to avoid around tryout time, if you will be trying out for a team please take this into consideration.
